Chevy Chase Village
Board of Managers
5906 Connecticut Avenue
Chevy Chase, MD 20815

Dear Board Members:

I am interested in volunteering for the position of Chevy Chase Village Representative to the Friendship Heights Transportation Management District (FHTMD) Advisory Committee.

I have been a Village resident for 23 years. I have extensive professional experience in the transportation field as can be seen from the attached resume.

I ride Metro Rail from the Friendship Heights station practically every day to and from work as does my wife and we also ride it to various events all over the DC region. I have also ridden the metro bus system to and from my office.

I am very interested in serving on the FHTMD Advisory Committee. I have reviewed the County Council Resolution establishing the Transportation Management District in the Friendship Heights Sector Plan Area and also met with David Glass the current FHTMD Advisory Committee representative from the Village as well as Robert Cope the former Chairman.

I would envision working closely with the Village Board concerning the transportation issues that may arise.

I would be happy to respond to any questions members of the Village Board may have.

Sincerely,

Jim Calderwood
