## Update on Capital and Utility Infrastructure Projects

### Village-wide Sidewalk Replacements

The Village's sidewalk contractor, Capital Hardscapes, has been working to replace the sidewalks along Hesketh Street. Weather permitting the contractor anticipates that the replacements on Hesketh Street will be completed by the middle of February and continue onto Magnolia Parkway. During construction the contractor will ensure that pedestrian access is maintained on at least one side of the street at all times.

In response to questions residents have posed thus far during the project a list of "Frequently Asked Questions" has been developed and can be viewed by visiting the Village website. If you have a question that has not been addressed, please contact the Village office.

### WSSC Water Main Replacements

The Washington Suburban Sanitary Commission is continuing to replace, upgrade, and, in some cases, relocate two miles of water main lines throughout the Village. This phase of the project involves the relocation of water mains on portions of Cedar Parkway and all of Oliver Street.

Due to delays as a result of weather and construction material availability, WSSC contractors are running 1 month behind schedule. It is anticipated that work on Oliver Street and Cedar Parkway will be completed by the beginning of March. The next phase of this project will be determined once the crew completes its work on Cedar Parkway.

In an effort to provide timely and accurate information on the progress of the Sidewalk Replacement Project and the Water Main Replacement Project, dedicated pages have been created on the Village's website for these projects updates. Go to the Village's homepage [www.chevychasevillagemd.gov](http://www.chevychasevillagemd.gov) and click on the "Village-wide Sidewalk Replacements and Handicap Ramp Upgrades" link under the "Quick Links" section to access the pages referring to the Sidewalk Project or click on the "WSSC Water Main Replacement Project" link under the "News" tab to access information regarding the progress of the Water Main Replacements.

For more information, residents can also contact Director of Municipal Operations Michael Younes at [michael.younes@montgomerycountymd.gov](mailto:michael.younes@montgomerycountymd.gov).

*Note: Action on this Resolution will be taken at the Board's regular meeting on March 12, 2012.*

Copies of these draft Ordinances may be obtained at the Chevy Chase Village Office between 9:00 a.m. and 5:00 p.m., Monday through Friday. ## Budget Work Sessions

The Board of Managers will hold two budget work sessions to review the Village Manager’s draft budget for the fiscal year that will begin on July 1, 2012 and end on June 30, 2013.

- **Thursday, February 16 at 7:30 p.m.**
- **Monday, March 5 at 7:30 p.m.**

The work sessions are open to the public, although public comment will not be permitted until the public hearing on the budget in April.

...From the cover article, “Chevy Chase Lake Sector Plan”

While it is too early to tell if a consensus can be reached, there are some areas of general agreement—mainly centered on the public use space and the general arrangement of buildings on the site. Height and density continue to be unresolved issues.

The Village’s main concern centers on the issue of additional traffic that the development is certain to generate. Both Connecticut Avenue and Brookville Road will see increased traffic with added development, especially at the levels currently being discussed. The Land Company is conducting a traffic analysis which it will present to the communities this month. At the same time the planning staff at Park and Planning is conducting its own traffic studies. The traffic analysis will look at traffic on Connecticut Avenue as far south as Bradley Lane.

As the schedule now stands, the Park and Planning staff proposal for the rezoning of Chevy Chase Lake Sector will be presented to the Planning Board in late February or early March. A public hearing will be held by the Planning Board sometime in April with a final plan sent to the County Council in the summer. Additional information may be posted on the Planning Board site. <http://www.montgomeryplanning.org/community/chevychaselake/>

Representatives of the Village will continue to meet with the Chevy Chase Land Company, to work with our neighboring communities, and to weigh in where Village interests are affected. If you are interested in working with the Village representatives, or would like more information as it becomes available please contact the Village office. Also, we hope to have an information meeting for interested Village residents within the next month.

## Call for Volunteers to Serve on the Elections Committee

Last year, the Village Board of Managers created a 5-person Elections Committee to assist in managing and overseeing elections to the Village's Board of Managers. The committee's members are appointed by the Chair of the Board of Managers to serve four year staggered terms.

The term of Elections Committee Member Mr. Irwin Pernick (Hesketh Street) ends this upcoming March. Mr. Pernick has indicated that he will seek reappointment. Committee members must:

- have resided in the corporate limits of Chevy Chase Village for at least one year
- be a registered voter in the State of Maryland
- be proficient in the use of email

Residents interested in serving on the Elections Committee should email Village Manager Shana Davis-Cook at [shana.davis-cook@montgomerycountymd.gov](mailto:shana.davis-cook@montgomerycountymd.gov) by February 8. The Board Chair will appoint a member at the Board's regular meeting on February 13, 2012. Appointment preference will be given to volunteers who:

- have direct experience in the election process at the municipal, state and/or national level
- have legal experience in election processes

A full scope of work for this Committee, as well as names and terms of the other members, is available on the Village website under Governance, Committees, Elections Committee.

guidelines. The changes have resulted in a greatly improved document.

To facilitate a better understanding of committee operations, the committee area of the Village website has been redesigned, and was launched in mid-January. Each committee now has its own page on the website, including the committee's scope of work, meeting agendas and minutes, and a form for residents to complete if you are interested in joining a committee.

The new guidelines, including information on the process for joining Village committees, are available on the Village website by going to Governance, Village Committees. As the committee system is regularized there will, no doubt, be questions, and suggestions for improvement. If you have any questions about the implementation of these guidelines, please contact the Village office at (301) 654-7300 or via email at [ccv@montgomerycountymd.gov](mailto:ccv@montgomerycountymd.gov).

## Upcoming Transition for the Village Listserv

At its meeting on January 9, the Village Board agreed to end its formal management of the Village listserv and to seek a resident volunteer or volunteers to manage the listserv as a resident forum for communication. More information regarding this transition, including a call for volunteers will be circulated on the listserv during the month of February.

## In Remembrance...

The Village staff and community remember former Police Chief Roy Gordon who passed away last January from cancer. Roy had worked for the Village for over 15 years and served as its Police Chief for 10 years. He left a legacy of community policing and professionalism that will continue to serve as the standard for our department.

As we take time to remember Roy Gordon's contributions, we also welcome our new Police Chief John M. Fitzgerald who joined the department last October and has already made great strides to further the success of the Village Police Department as it seeks to ensure the community's safety.

## Bring Your Bag and Fight Litter

Starting January 1, 2012, all retail establishments in Montgomery County that sell goods and provide their customers a carryout bag (either paper or plastic) are required to charge 5 cents per bag.

- Montgomery County's new Carryout Bag Law is designed to improve our environment by cutting down plastic bags—a significant source of litter—which pollute our streets, streams, and playgrounds, and harm property values.
- A similar program has been in effect in Washington D.C. for the past 18 months and has already reduced plastic bag litter that clogs the rivers and streams in Washington D.C. by an estimated 65 percent.
- Proceeds from the Carryout Bag Law go exclusively to programs that fight litter and provide storm water pollution control in Montgomery County.
- Residents can avoid the charge for carryout bags by bringing their own bags to carry purchases out of the store.
- The 5 cent charge also applies to purchases made over the phone/internet/fax/or at self-checkout counters, if you use store provided carryout bags.
- Some bags are exempt from the carryout bag law. Examples include bags used to package bulk or perishable items, prescription drugs, as well as paper bags from restaurants and delis for customers to carry out prepared or leftover food.

For more information, please visit [www.montgomerycountymd.gov/bag](http://www.montgomerycountymd.gov/bag) or call the Montgomery County 311 information line .

## Weekly Toddlers Group

The Weekly Toddlers Group meets every Monday, at 9:30 in the Village Hall. The Village provides the group with toys and a clean, indoor play space. Most kids are between one and three years old, but all ages—including babies are welcome! There are lots of moms, grannies, nannies and sometimes dads who attend.

If you have questions regarding the group, please email Lesley Caldicott at [caldicott@gmail.com](mailto:caldicott@gmail.com) or Tanya\_Correa at [tanyaalan@att.net](mailto:tanyaalan@att.net).

## Village Snow Removal and Power Outage Procedures

The Chevy Chase Village Public Works crews plow the Village streets 24 hours a day, 7 days a week during storms with accumulative ice and/or snowfall. To support the efforts of the Public Works crew, Village residents are asked to, if possible, move their cars off of the street to their driveway to allow the crew to plow the streets. Please remember that no more than 48 hours following a storm, Village residents are responsible for clearing snow, sleet or freezing rain from abutting sidewalks in the public right-of-way, after which, Village Police can issue citations for violations. These range from a simple fine (\$50) to a lien against the property if Public Works is required to intervene to clear the property.

If your power does go out, please be sure to notify PEPCO directly at 1-(877) 737-2662 in addition to notifying the Village's 24-hour Communications Center at (301) 654-7300 so that the Communications staff can be aware of the outages throughout the Village.

If your power is out and you need to leave your home, please call the Communications Center to notify them of the best number to reach you in the case that PEPCO needs access to your property or to simply notify you that your power is back on.

## Artists Sought

The Village will hold its Eleventh Annual Art Show in the Village Hall during the entire month of April, beginning with a gala reception on Sunday, March 25. Items will be exhibited through April 28.

The curators are looking for interested artists who currently live in Chevy Chase and would like to exhibit their art work.

If you would like to exhibit fine art photography, paintings or sculptures please email Sally Troyer at [sally.troyer@gmail.com](mailto:sally.troyer@gmail.com), Marilyn Montgomery at [marilynmont@aol.com](mailto:marilynmont@aol.com), Jay Treadwell at [optsvcs@aol.com](mailto:optsvcs@aol.com), or Elizabeth Roberts Dalgard at [edalgard@yahoo.com](mailto:edalgard@yahoo.com).

More information regarding the show will be included in the March 2012 issue of the *Crier*.

## Be a Responsible Pet Owner: Know and Follow the County Law

The Chevy Chase Village Police Department receives a variety of pet-related complaints. The county's animal control laws apply in the Village and are enforceable (via civil citation, generally) by our officers. By way of reminder, below is a list of selected animal control laws summarized from the County Code. Please review them and comply with them. Additionally, please share this information with all of your pet's caretakers. Being a good citizen includes being a responsible pet owner.

Violations of the County Code may be placed as civil offenses or criminal offenses. Unless otherwise noted, the penalty for the below offenses are:

<i>Civil Offense</i>	<i>Criminal Offense</i>
\$100 for a first offense	Maximum fine of \$200 and a maximum jail term of 30 days
\$150 for a subsequent offense	
\$500 for an offense occurring after receiving notice—in any form—of a violation	

**At Large Animal:** Any dog is at large if it is outside the owner's premises and not leashed unless it is in a dog exercise area designated by the Maryland-National Capital Park and Planning Commission or is participating in a qualified activity (hunting, obedience training, tracking, search and rescue). Wireless/remote leashes do not satisfy the "leash law".

**Animal Noise Disturbance:** An owner must not allow an animal to cause noise that is loud enough and persistent enough to disturb another person's quiet enjoyment.

**Animal Defecation ("pooper scooper" law):** An owner must not allow an animal to damage or defecate on property outside the owner's property. An animal may defecate on public property or the common area of property in which the owner shares an interest if the owner immediately removes and disposes of the feces by a sanitary method approved by the Director of the County's Animal Services Division. Feces may be picked up in a plastic bag. If this bag is placed inside another plastic bag, it may be put out for disposal in your normal household trash.

**Animal Trespass:** An owner must not allow an animal to enter private property without the property owner's permission

**Unwanted Contact:** Pet owners must prevent unwelcome or unsolicited threatening physical contact or close proximity to a person or a domestic animal that occurs outside the owner's property that may cause alarm in a reasonable person, such as biting, chasing, tracking, inhibiting movement, or jumping. **The civil penalty is \$500 for a first offense, \$750 for a subsequent offense. The criminal penalty is a maximum of a \$1,000 fine and 6 months in jail.**

## New Year's Resolution— Let's Curb our Carbon Footprint!

As we ring out the old year and ring in the new, it's worth taking a look at how we are doing globally on CO<sub>2</sub> emissions and what we can do as a community and as individual households to reduce our carbon footprint. The Carbon Dioxide Information Analysis Center at Oak Ridge National Laboratory, the US Department of Energy's primary center for data and analysis on climate change, estimates that in 2010, the latest year for which data have been assessed, global emissions reached a record high of 33.5 billion metric tons of CO<sub>2</sub>. This amounted to a 5.9% increase over global emissions from the previous year (2009), and a 49% increase since 1990, the year that the Kyoto Protocol established as a baseline to measure increases or decreases in CO<sub>2</sub> emissions by countries.

## Stopping The Examiner

The Communications Center continues to receive complaints from residents regarding delivery of the tabloid The Examiner.

The Village cannot prevent delivery, but we are aware that the delivery continues to be a nuisance to some and sympathize with our residents' frustration over the unsolicited, seemingly "littering" fashion of the paper's delivery. Several residents have found success in stopping the unwanted delivery by contacting the newspaper's circulation contractor.

If you are presently receiving the paper and wish to discontinue delivery, or if you have requested that delivery be stopped and it has not, please contact Wilcan Services at (703) 441-9229 or [wicann1@aol.com](mailto:wicann1@aol.com).

## Do Not Call Registry—Cellular Phones

**Cell phone numbers go public this month!** All cell phone numbers are being released to telemarketing companies and you will start to receive sales calls, for which you will be charged.

To prevent this, call the following number from your cell phone: 888-382-1222.

This is a National DO NOT CALL list. It will take only a minute of your time. It blocks your number for 5 years. You must call from the cell phone number you want to have blocked.

### Public Works Department/ Trash Collection

Resident input regarding the contracted services for trash and recycling collection is an important factor during the evaluation of these services.

The Village provides rear-door collection of refuse and recycling as a convenience to our residents. Please leave your gates unlocked to allow access to your receptacles and remember to contact the Communications Center if either your refuse or your recycling was not collected.

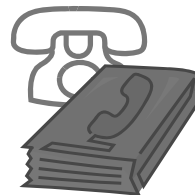

On windy collection days, please weigh down the lids to your paper and trash receptacles. This small effort saves the collection crew from chasing lids and debris all over the neighborhood and ensures your lids aren't lost.

**Special Pickups of bulk items are collected on Wednesdays. Requests must be submitted either by phone or the Village website by 2:00 p.m. on the preceding Tuesday to ensure collection.**
