

CHEVY CHASE VILLAGE

TRAFFIC COMMITTEE

MEETING OF 03-22-17

AGENDA

CONSIDER PROPOSED AMENDMENTS TO SPEED HUMP POLICY

1. Revisions to the preamble to reflect adoption of the amendments.
(Derivative to changes made)
2. Revisions to the language regarding abstention or non-response to the survey/questionnaire such that abstentions and non-responses are eliminated from the percentage approval calculation.
3. Elimination of the requirement for family attendance at a street safety workshop conducted by the Village Police Dept.
4. Household acceptance of location of speed humps is now asked of all respondents, and clarifies that application cannot proceed unless a suitable and acceptable location can be found. This would again exclude non-respondents.
5. Elimination of the speed criterion, such that speed hump applications could then qualify without regard to speed.
6. In the hump removal section, insertion of conforming language regarding the treatment of abstentions and non-respondents.
