

**Parks and Green Spaces Committee
Meeting on Thursday, December 3, 2020 @ 12:00 PM
At the corner of Grafton Street and Chevy Chase Circle**

AGENDA

We will be trimming the boxwoods so that fresh air can circulate through their branches. In normal times the greens that we cut away are donated to the village for Christmas party decorations, but this year is different in every regard. Guess that those who show up for this work will have to decide what to do the boxwood greens.

The cold December weather is setting in so we plan to meet at noon (not the traditional 7 AM) at the intersection of Grafton Street and Connecticut Ave at the Circle. Bring your strong shears and your strong right arms. Any questions? Please contact Susan Kilborn or me (Margo) by email. See you this Thursday, December 3 at noon.

Respect Science, Respect nature, Respect Each Other
