

The boxwood pruning for Holiday Greens has been rescheduled to Monday, December 3, at 10:00 AM. We will start at the stand of boxwoods at Chevy Chase Circle and prune the boxwood for about 1 hour. We receive assistance with this from the Village's Public Works crew. Last year we also pruned the large boxwood along Connecticut Avenue at the corner of West Kirke.

All members of the committee are welcome, but don't feel any pressure to join us on the 3rd. If you come, please bring your warm gloves and clippers. The boxwood pieces will be taken to the Village Hall and used in the holiday decorations. Leftover boxwood can be purchased by giving a donation to the Garden Club of Chevy Chase on the Village Hall front porch.
