Enhancing Where Chevy Chase Reads

Summer Reading Program Begins on June 17!

The Chevy Chase Library will once again have an exciting line-up of children's performance events – most of them new to our library – this summer as part of the Summer Reading program. Three of the events are sponsored by the Friends of the Library, Chevy Chase Chapter while three others come to us courtesy of the Friends of the Library, Montgomery County. **The events line-up:**

Sat., June 28, 11:00 a.m.	<i>Around the World with John Henry, the Guitar Man</i>
Tue., July 8, 10:30 a.m.	<i>Dragons and Dreams</i> , presented by the Sciencetellers

This year, for the first time, the Chevy Chase Library will also have Tuesday Morning STEM (Science, Technology, Engineering, Math) at Chevy Chase Library. On July 1, 15 and 22 and on Aug. 5 and 12, starting at 10:30 a.m., there will be half an hour of a science or art activity, followed by half an hour of Lego free play.

And if there are children in your family, make sure they sign up for the Summer Reading Program. MCPL offers programs for preschoolers, elementary school age children and teens. It's easy to sign up. Register online or at the Library between now and Aug. 9 (and get a voucher for a Frederick Keys baseball game as a bonus).

Again this year, we will have really cool Summer Reading t-shirts for sale at the events below, starting with the one on the 17th. At \$6 each, they are a real bargain! Cash or checks only.

A Word . . . Actually Quite a Few . . . About Book Donations

The Chevy Chase Library and the Chevy Chase Chapter, Friends of the Library continue to be happy to accept donations of clean, new and gently used books (including recent textbooks), audio books and DVD's. We cannot accept encyclopedias or magazines.

Please bring items to the circulation desk when the library is open. Recently there has been an increase in the number of donated items left outside the Library. For several reasons, we must ask you not leave donations outside the Library. Unattended boxes and bags left outside public buildings raise security concerns and materials left outside can easily be damaged by inclement weather. So please bring your most welcome donations into the Library.
