Dear Members of the Board:

As Chair of the Village Ethics Commission (the “Commission”), I write to report that during the preceding 12 months, the Commission has received no reports or disputes relating to ethics issues governed by the State Ethics Law nor by the Village ethics code. The members of the Commission have reviewed all financial disclosure forms required to be disclosed under those laws, with no conflicts, nor appearances of conflicts, of interest discovered.

Further, all members of the Village Ethics Commission met on Thursday, June 13, 2019 to discuss our activities during the year. A brief summary of those activities can be found in the first paragraph of this letter.

If you have further questions, please feel free to contact me.

Yours very truly,

Frank H. McCulloch, II
