

Support the Nearby Farmer's Market in Section 3

The Farmers Market in Section 3 is open! Located at Taylor St. and Brookville Rd. with ample parking at La Ferme restaurant, the market features only organic products sold in a COVID-compliant manner. Patrons must wear a mask, bring their own bag and pay by credit/debit card.

The market is open on **Saturdays from 8-9 a.m. for seniors and other vulnerable individuals and opens for all patrons at 9 a.m. to 1 p.m.** (rain or shine).

New Morning Farm, a Pennsylvania organic farmer features organic citrus fruits, apples, farm fresh eggs, mushrooms, apple cider, sweet and spicy greens mix, some lovely lettuce, honey, maple syrup, cheeses and lots of other organic veggies. The market has added fresh-picked corn and juicy tomatoes in recent weeks along with their usual wide array of veggies and baked goods.

The food truck, Crepes Parfait, will be present serving up delicious hot coffee and crepes of all types for breakfast or a lunch snack.

The Village of Chevy Chase, Section 3 has launched a **"\$5 for Food" food donation drive** during the weekly Farmer's Market. Proceeds are donated to the *Capital Area Food Bank*, which serves the food insecure all over our region. The Food Bank purchases food at wholesale prices and every \$5 raised pays for more than twelve meals for those in need. Thus far, over \$1,000 has been raised! Bring cash or a check (payable to Capital Area Food Bank) and drop it in the designated box while the Farmer's Market is open. This is a great way to give back to the many families who have been so severely impacted by the COVID-19 pandemic.

In addition to this worthwhile drive, the Farmer's Market donates the leftover food that is in good condition to a food bank in Pennsylvania near their farm and any spoiled food goes into their compost pit to grow more organic veggies.

Bring your own bags to shop at the farmers market, have breakfast and stop by some of the local merchants along Brookville Rd. too.
