## STATE OF MARYLAND INFORMATION

**Pre-Registration for Mass Vaccination Sites Open to all Marylanders 16 and Older**
All Marylanders age 16 and older can pre-register for an appointment at a mass vaccination site by visiting covidvax.maryland.gov or calling 1-855-MD-GOVAX (1-855-634-6829). Through pre-registration, Marylanders can choose their top two preferred sites.

Although pre-registration is now open to all Marylanders, Phase 1 and Phase 2 eligible individuals will continue to receive priority for appointments.

**No-Appointment Line at Salisbury Mass Vaccination Site**
No-appointment walk-up lines have been opened at the Wicomico Youth and Civic Center site and the Hagerstown Premium Outlets site. Additional no-appointment walk-up lines will be announced as they open. Be aware that the process for the no-appointment lines will take longer, and there is no guarantee of receiving a vaccine.

The state distribution network for COVID-19 vaccines includes hospitals, county health departments, and neighborhood pharmacies. **Use covidvax.maryland.gov to find a provider near you or call 211 for assistance.** Vaccinations are by appointment only, and some providers may allow you to pre-register.

**Retail pharmacies are also providing vaccinations at locations across the state.** To access scheduling information through the state's website (search by zip code), visit:
