III. POLICY

A. In order to be granted a Chevy Chase Village vendor's/solicitor's permit:

1. The applicant must have a valid Montgomery County vendor's license which must be included with the application in order for a Village vendor's permit to be granted.

Exceptions:

- a. A Village permit may be granted to a Village resident for "neighborly" purposes such as the PTA or school fund raisers. These exceptions must be approved by the Administrative Office.
 - b. Non-profit organizations are required to register with the Village and must present a copy of the appropriate credentials (i.e. non-profit organization certificate) confirming their non-profit status.
2. The applicant must provide the appropriate application fee.
 - a. \$25.00 for each person or vehicle peddling, hawking, soliciting, or distributing advertisements in the Village.
 - b. Non-profit organizations are exempt from the application fee, however they still are required to register for a permit.

B. Applicants are required to carry the Village permit at all times and to show it on demand.

- C. Applicants are to be provided with a copy of Chapter nineteen (19) of the Village Code as well as the list of residents who have signed the "No Soliciting" petition. Failure to abide with the requirements of Chapter 19 may lead to a municipal citation and/or revocation of the permit. Solicitation of the residents who have signed this petition is a violation of the Village Code.
