**CHEVY CHASE VILLAGE
NOTICE OF ADMINISTRATIVE SPECIAL PERMIT REQUEST**

Please take notice that the Chevy Chase Village Building Officer and Village Manager will conduct an administrative review of a Special Permit application for the following:

**APPEAL NUMBER AA-7376
MR. ROBERT D. STILLMAN AND
MS. MARGARET CLOVER STILLMAN,
TRUSTEES OF THE
ROBERT D. STILLMAN REVOCABLE TRUST
22 PRIMROSE STREET
CHEVY CHASE, MARYLAND 20815**

The applicants seek an administrative Special Permit pursuant to Sec. 8-11 of the Chevy Chase Village Building Code to maintain an existing asphalt driveway which was replaced in the same location measuring a maximum of nineteen (19) in width on private property.

The Chevy Chase Village Code Sec. 8-26 states:

Any driveway on private property may not exceed fifteen (15) feet in width without a Special Permit from the Board of Managers, except that the driveway in front of a two-car garage may extend the full width of the two-car garage, provided that such driveway does not exceed twenty (20) feet in length. An existing driveway that does not comply with the previous sentence may be replaced pursuant to Sec. 8-11.

The Chevy Chase Village Code Sec. 8-11(b)(2) states:

- (a) The Building Officer and the Village Manager, by joint action, may grant variances and Special Permits for the following construction.
- (2) Replacement of an existing driveway, provided that
 - (a) The replacement driveway is not wider than the existing driveway and
 - (b) The replacement driveway is in substantially the same location as the existing driveway.

Additional information regarding this case may be obtained at the Chevy Chase Village Office between the hours of 9:00 a.m. and 5:00 p.m. Monday through Friday, may be viewed on the Village website at www.chevychasevillagemd.gov or you may contact the office for this information to be mailed to you.

This notice was mailed (and emailed where possible) to abutting and confronting property owners on the 10th day of August 2018. Abutting or confronting property owners or any aggrieved resident may, within fifteen (15) days of the date the notices are issued, submit written comments and request that the application be submitted to the Board of Managers in accordance with Sec. 8-10 and 8-11 of the Chevy Chase Village Building Code.

Guidelines for Building, Replacing and Maintaining Driveways

Village Code states that any person intending to install, replace or alter a driveway, or any material part thereof, must first obtain a Building Permit from the Village office. (Residents within the Historic District must also obtain a Historic Area Work Permit; please contact the Historic Preservation Commission directly.)

Driveways are regulated in three areas: (1) the portion of the driveway located on private property, (2) the portion of the driveway that crosses the public right-of-way, and (3) the driveway apron, which is the portion of the driveway that meets the public street. Please refer to the illustration below for an example of these components.

(1) Driveways on Private Property

Driveways on private property may be installed using any material the resident chooses (although residents within the Historic District must consult with HPC), provided that the driveway does not exceed fifteen feet (15') in width. Village Code allows residents to install a wider garage apron—the section of a driveway just forward of a garage—for two-car garages. The apron in front of a two-car garage may extend the full width of the two-car garage for a distance up to twenty feet (20') from the face of the garage. The Code applies this accommodation only for two-car garages.

(2) Driveways on the Public Right-of-Way

All driveways must cross the public right-of-way to access the street, but where private property ends and the public right-of-way begins ends is not always consistent from street to street, and may even vary from block to block (as discussed above). The first step is to determine where the right-of-way begins in front of your property. Your proposed driveway cannot exceed ten feet (10') in width where the driveway crosses the right-of-way. Also, if your driveway (whether new or replacement) crosses or intersects with a public sidewalk, the sidewalk material must be restored/maintained across the driveway so as to create a continuous public sidewalk of consistent material type.

(3) Driveway Aprons

The driveway apron is the portion of the driveway that meets the public street. In addition to the ten foot (10') maximum width of the driveway where the driveway crosses the public right-of-way, the Village Code allows a five foot (5') radius on either side to establish the driveway apron, thereby allowing a maximum width at the curb of twenty feet (20'). While driveways on private property may be installed in any material or color that residents choose, the Village Code specifies that the driveway apron must be installed in accordance with current Montgomery County standards.

Village Code limits the number of curb cuts permitted per property to one. Accordingly, residents who wish to install a circular driveway will need to request a variance from the Board of Managers.

Unlike other improvements in the public right-of-way, a **License to Use the Public Right-of-Way** is not required to install or replace driveways or driveway aprons. Replacement of a driveway apron is the sole responsibility of the adjoining property owner, not the Village.
