

Chevy Chase Village Election Supervisors 2018 - 2019 Annual Report

1. The Election Supervisors confirmed that four board members' terms were ending in June 2019. We ascertained the interest of incumbents in running again. During February and March, we notified Village residents of the vacancies and the requirements to become a candidate, using the Crier and Village emails. This information included a short summary of the financial disclosure procedures, in order to assure potential candidates that this step was not unduly onerous.
2. The Election Supervisors met on April 4, 2019, following the deadline for candidates to submit their Certificates of Candidacy and Financial Disclosure Statements. The Supervisors confirmed there are four candidates for the four open positions on the Board: three incumbents, Gary Crockett, Richard Ruda and David Winstead, are running again, and Linda Willard of West Newlands Street has filed as a new candidate. Minh Le has decided to step down from the Board, and all of us thank her for her service. All four of the candidates submitted the required certificates of candidacy and financial disclosure statements by April 4 deadline, and these have been reviewed and endorsed as duly filed by the Village Ethics Commissioners. Because the number of candidates and the number of vacancies are equal, there will be no need for elections in May.
3. Unless there are any questions, pursuant to the procedures in the Village Charter, the Election Supervisors hereby declare the following four candidates elected to the Chevy Chase Village Board of Managers: Gary Crockett, Richard Ruda, Linda Willard, and David Winstead.
4. The 2018-2019 Election Supervisors are Robert Broeksmit, Charlotte Jones-Carroll, Mary Sheehan (Chair), Karen Spangler and Nancy Wilkinson.
