COVID-19 Vaccine Information

Booster Eligibility Expanded to 12 Years and Up (Pfizer only for 12-17-year-olds)

COVID-19 vaccinations for individuals age 5 and up remain available across the state and county. Clinics are also providing third/booster doses for eligible individuals.

UPDATE AS OF 1/5/2022: The Maryland Department of Health has issued a new bulletin (eff. 1/5/2022) directing all providers to administer upon request a booster dose of any FDA approved or authorized COVID-19 vaccine to individuals 18 years and older who completed a primary series of **Pfizer-BioNTech** or **Moderna** COVID-19 vaccine at least six months ago **AND** to administer upon request a booster dose of the **Pfizer-BioNTech** COVID-19 vaccine to individuals 12-17 years old who completed a primary series of **Pfizer-BioNTech**.

Individuals who received a primary series of the **Janssen/Johnson & Johnson** (J&J) COVID-19 vaccine at least two months ago continue to be eligible for a booster dose.

State health officials continue to strongly recommend that the following individuals get a booster shot as soon as possible:

Individuals age 65 years and older
Individuals who live in long-term care settings, those who have underlying medical conditions, and those who work or live in high-risk settings or in communities with high transmission rates

The bulletin further emphasizes to providers that they may not turn away any individual requesting a booster dose.
