New Morning Farm, a Pennsylvania organic farmer, features organic citrus fruits, apples, farm fresh eggs, mushrooms, apple cider, sweet and spicy greens mix, some lovely lettuce, honey, maple syrup, cheeses and lots of other organic veggies. The market also has a wide array of veggies and baked goods. Plan to also visit the food truck, **Crepes Parfait**, which serves delicious hot coffee and crepes in addition to breakfast, lunch, and take-away heat-and-eat dinner entrees.

Section 3 of the Village of Chevy Chase is continuing its “**\$5 for Food**” **food donation drive** during the weekly Farmer's Market. Proceeds are **donated to the Capital Area Food Bank**, which serves the food insecure all over our region. The Food Bank purchases food at wholesale prices and every \$5 raised pays for more than twelve meals for those in need. Since the donation program was begun in August 2020, over \$9,530 has been raised, which includes individual check donations by customers as well. Bring cash or a check (payable to **Capital Area Food Bank**) and drop it in the designated box while the Farmer's Market is open. This is a great way to give back to the many families who have been so severely impacted by the COVID-19 pandemic as well as the increasing cost of gas, food and other necessary items.

In addition to this worthwhile drive, the Farmer's Market donates the leftover food that is in good condition to a food bank in Pennsylvania near their farm and any spoiled food goes into their compost pit to grow more organic veggies.

Bring your own bags to shop at the farmers market, have breakfast, and stop by some of the local merchants along Brookville Road.

NOTE: If you are driving to the Farmers Market, please park in the La Ferme parking lot and NOT by the Brookville Market to leave sufficient parking for the retail shops along Brookville Rd.
